

Cabinet Accessories

Cooling Fan

Features	Lower-noise, long lifespan, plastic filter options
Dimensions	120mm x 120mm x36mm
Mounting Dimension	105mm x 105mm
Air Flow	50-110CBM/H

Ordering Information

Part Number	Description
491001103	Cooling Fan, 110V
491002203	Cooling Fan, 220V

Metal Cable Management

Features	Long lifespan, plastic filter options
Material	SPCC cold rolled steel t1.2
Surface Finish	Degreasing, Phosphoric, Powder Coated

Ordering Information

Part Number	Description
491010013	1U Metal cable management with cap
491010023	2U Metal cable management with cap
491010013-B	1U Metal cable management, Brush Type
491010023-B	2U Metal cable management, Brush Type

Fixed Shelf

Features	Used for placing equipment / servers
Material	SPCC cold rolled steel t1.2
Surface Finish	Degreasing, Phosphoric, Powder Coated
Load Capacity	60Kg

Ordering Information

Part Number	Description
491030453	Fixed Shelf 450mm depth
491030603	Fixed Shelf 600mm depth
491030803	Fixed Shelf 800mm depth
491031003	Fixed Shelf 1000mm depth
491031203	Fixed Shelf 1200mm depth

Blank Panel

Material	SPCC cold rolled steel t1.2
Surface Finish	Degreasing, Phosphoric, Powder Coated

Ordering Information

Part Number	Description
491040013	1U Blank Panel
491040023	2U Blank Panel
