

Floor Mount Cabinets – Glass Door

Product Overview

Alston Systems offers an entire range of Data cabinets such as server cabinets, wall / floor mount cabinets, power distribution units, and IP based PDUs, UPS etc., towards a Data Center Facility Solution. Additionally, Alston Systems has physical security to the server cabinet access by IP based biometric handle locks. Protection of physical assets is regarded to be as important as protecting the data stored or processed on those active equipment's. Accessories like fans, castors and levelling feet come with the floor mount cabinet pack. Additional accessories like fix shelf, keyboard tray, LED light, blank cover, cable management and numeric/biometric access control systems can be ordered along with the standard pack.
